Limited Division

Major Power Factor	165
Minor Power Factor	125
Other Restrictions;	No optical sites, comps, porting; No limit on mag capacity, but limit on length; mag wells o.k.

Limited-10 Division

Major Power Factor	165
Minor Power Factor	125
Other Restriction:	No optical sites, comps, porting; Mag limited to 10 rounds

Production Division

Major Power Factor	Not applicable
Minor Power Factor	125
Other Restrictions:	Holster position; No optical sites, comps, porting; Mag limited to 10 rounds; no mag wells; gun size limit; see list on web site

Single Stack Division

Major Power Factor	165
Minor Power Factor	125
Other Restrictions:	1911's; No optical sites, comps, porting; holster restrictions; mag limits-8 rds max pwr factor, 10 rds min pwr factor

Revolver Division

Major Power Factor	165
Minor Power Factor	125
Other Restrictions:	No optical sites, comps, porting; max 6 rds fired before reload

2. IDPA

Stock guns only in all Divisions: No compensators, full length dust covers, non-standard sites, bull barrels/cone style barrels w/o a barrel bushing, adding wts. Note mag capacity is maximum-may use lower capacity, but must stay w/ same capacity through match.

Stock Service Pistol (SSP) Division

Guns/Calibers	Semi-autos/9X19 or larger
Allowable Mods	"Accurizing," change grips, sites if standard config.
Max Magazine Capacity:	10 rds (+1 in chamber)

Enhanced Service Pistol (ESP) Division

Guns/Calibers	Semi-autos/9X19 or larger
Allowable Mods	As in SSP, plus frame checkering, extended safeties, extended mag releases, beveled/extended mag wells
Max Magazine Capacity	10 rds (+1 in chamber)

Combat Defensive Pistol (CDP) Division

Guns/Calibers	Semi-autos/.45 only
Allowable Mods	Same as ESP
Max Magazine Capacity	8 rds (+1 in chamber)

Stock Service Revolver (SSR) Division

Guns/Calibers	Revolvers/38 or larger, rimmed, no use of moon clips, bbl length 4.2" max
Allowable Mods	Grips, sites—if change is of standard factory config.
Max Round Capacity	6 rds. May use 7-8 rd cylinders, but only 6 loaded

Enhanced Service Revolver (ESR)

Guns/Calibers	Revolvers/9 mm or larger, rimmed/rimless, making Power Factor of 165(000), bbl length 4.2 max, moon clips O.K.
Allowable Mods	Same as SSR Division
Max Round Capacity	Same as SSR Division

Back Up Gun (BUG) Division

Guns/Calibers	Revolvers, s.a. or d.a./32 auto or larger, bbl length of 3.8" (semi-autos), or 3" (revolvers)
Max Round Capacity	5 rds

4. ICORE

Only 2 revolver divisions: if any mods, including optical sites, ribs, comps, porting, then must shoot "Open." All other revolvers are in the limited division. Minimal caliber is 32 mag.
